

Facility Durability Test Apparatus

Manufacturer Heico

Model HR 72.370

Facility Point Load Test Apparatus

Manufacturer Heico

Model HR 72.25

Capacity 10 ton

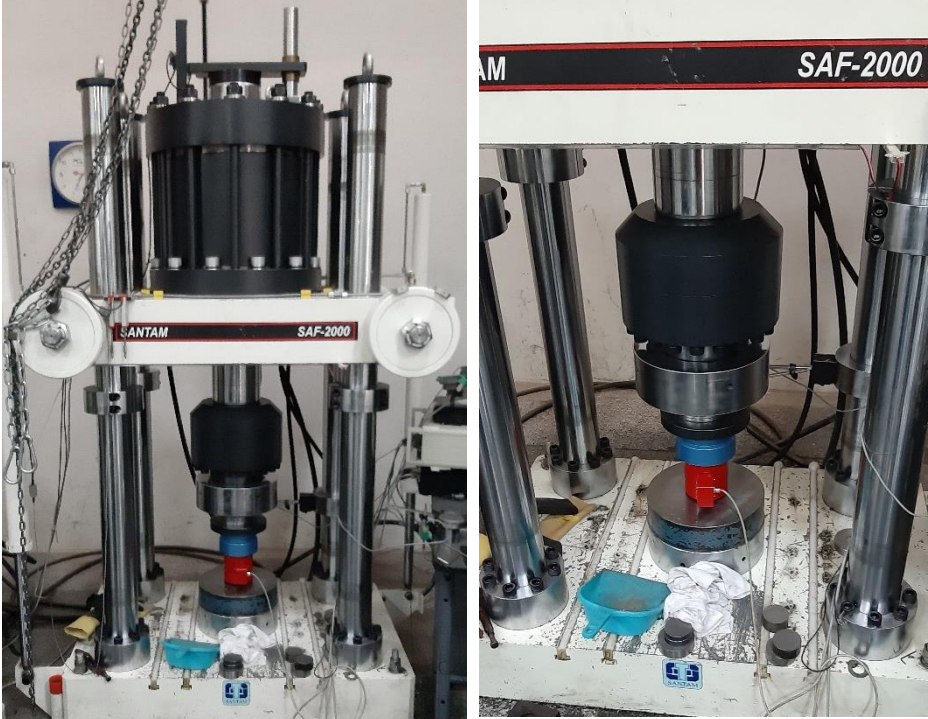

Facility            Uniaxial Static & Dynamic Loading Apparatus

Manufacturer    SANTAM

Model            SAF-2000

Capacity         200 ton

Facility            Uniaxial Strength Determination Apparatus

Manufacturer    Azmoon

Model            Servotronic

Capacity         200 ton

Facility            Uniaxial & Triaxial Test Jack (Semi-Automatic)

Manufacturer    Heico

Model             72.92

Capacity          200 ton

Facility            Uniaxial & Triaxial Test Jack (Semi-Automatic)

Manufacturer    Heico

Model            72.90

Capacity        100 ton

Facility Universal Triaxial Cell

Manufacturer Heico

Dimension 20 mm to 83 mm

Capacity 70 MPa

Facility Hook Triaxial Cell Test

Manufacturer Heico

Dimension 54 mm

Capacity 70 MPa

Facility            Brazilian Test Apparatus  
Manufacturer    Heico  
Model             72.396  
Dimension        48 to 76 mm

Facility            Vacuum Pump  
Manufacturer    REFCO  
Model             RD-8A  
Vacuum Pressure    0.05 mbar

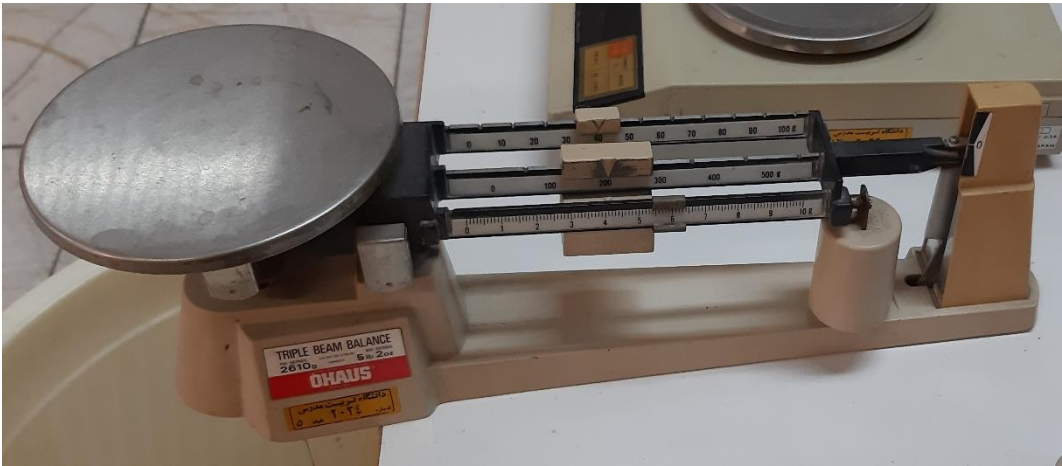

Facility            Digital Balance  
Manufacturer    AND  
Model            HR 72.25  
Capacity         3200 gr  
Precision        0.01

Facility            Three Beam Balance  
Manufacturer    OHAUS  
Capacity         2610 gr

Precision 0.1

Facility Schmidt Hammer

Manufacturer Heico

Model HR 46.20

Type L

Facility           Acoustic Emission Apparatus  
Manufacturer    Vallen  
Model            AMSY-5  
Sensor           4

Facility           Ultrasonic Wave Speed Measuring Apparatus  
Manufacturer    Pundit  
Model            Plus  
Wave Type        Shear (S-Wave) & Compression (P-Wave)  
Sensor Limit Load   200 KN

Facility           Oven Apparatus

Manufacturer    Azmoon

Capacity         50 Litre

Facility           Oven Apparatus

Manufacturer    Dena

Capacity         50 Litre

Facility            Polarizing Microscope  
Manufacturer      BW Optics  
Model              XPT7  
Magnifications    100, 250, 400, 630 X
